Principal’s Message

The school P&C is vital to the continued growth of Lake Illawarra South PS. They meet regularly and discuss issues which have a direct influence on events that happen at our school. At the last meeting the topic of a “Working Bee” was raised. There are many plans and ideas for improving our school and the P&C is considering running working bees. However, it can not be left to just the members of the P&C. When working bees are operating, please consider offering to assist. It may be donating some equipment or other options, if you can’t be there. Attend meetings, find out how we all can support our school. We would love to see you at the meetings.

Thanks to all the parents who are using the crossing. The children at our school are safer crossing the road with Kerrie halting the traffic.

WALK SAFELY to SCHOOL is scheduled for Friday 23rd May. Consider walking with your child to school on this day. If you drive, park a little further away and walk with them. It is so much fun.

Australia’s Biggest Morning Tea will be held at school on Thursday 22nd May. It is a very worthy cause and you get to eat lots of yummy things then enjoy a cup of tea. The children will be invited to eat Morning Tea of cupcakes and cordial for a Gold coin donation. This is not a Mufti Day.

Many children are using LOOM bands. Unfortunately they are becoming a problem. Children are using them to “flick” at other children. We hope no injuries will occur. Children are also stealing bands from others and this causes arguments. However, if children continue to use them in this manner the children who misuse them will be asked not to have them at school. Please discuss with your child the proper use of the LOOM bands.

Reforms to P&C Federation

The NSW Parliament has introduced legislation to reform the NSW Federation of Parent and Citizens Associations, which has suspended operation pending Supreme Court action. While these reforms will not affect the day-to-day operation of individual school P&Cs, they will introduce a new executive structure which will ensure the Federation operates as a modern and representative body on behalf of school P&C Associations.

Each school’s P&C Association will be asked to vote for councillors and delegates who will represent their electorate at the Federation’s Annual General Meeting and councillors who will serve on the Federation’s Board of Management. More information will be available on the Department’s website at http://www.schools.nsw.edu.au/gotoschool/a-z/involvement.php.
