**Principal’s Message**

**Care and Supervision of Students to and from School**

Children travel to and from school in a variety of different ways. These include walking, car, bus, bikes and skateboards. Recently there has been a number of reports made to me about children’s behaviour on the way to and from school, especially on the school bus or about children who walk/ride to and from school.

I would like to highlight the following scenarios that support the protection and welfare of students travelling to and from school:

- **If you ride a bike or skateboard, you must have a helmet and follow the road rules. This is the law.**
- **When riding on the bus you must be seated at all times. Please use an “inside voice” as screaming and yelling can distract the driver.**
- **When riding on the bus, sit back in your seat**
- **Use the crossing on Reddall Pde and Pur Pur Avenue to cross the road. This is the law.**
- **Keep your hands and feet to yourself when walking home – same rule as when you are in school.**

The care and supervision of students to and from school is primarily the parents and carers responsibility. The school has a responsibility to support parents, carers and students through educational programs and assistance if a problem arises. Care and supervision of students is the school’s responsibility during school hours. If there is an issue with your child’s welfare while travelling to or from school, please contact Mrs Piggott to discuss your concerns. If you have concerns regarding another student’s behaviour, please contact Mrs Piggott who can then follow up on specific incidents and contact parents or carers if required.

**IN2UNI**

What a lovey day Year Six spent yesterday at the University of Wollongong. We enjoyed some taster sessions of uni life and got to meet some wonderful uni students. Thanks to all the parents who attended on the day. I hope everyone had a wonderful time and see university as being an option for study in future years.
