Saturday October 31st!!

NAPLAN

Year Three and Year Five students received their NAPLAN results today. These results reflect your child’s performance on the day the NAPLAN was administered in May. If you would like to discuss your child’s results or you have any concerns, please contact your child’s class teacher to make an appointment.

Road Safety

On Reddall Parade, parents are asked to use the crossing out the front of the school in the morning and afternoon. While I understand it is quicker to cross outside the middle gate, you are putting your child’s safety at risk.

On Pur Pur Avenue, a number of parents are making U-Turns across double lines. Police and rangers are regularly patrolling the school roads at pick up and drop off times and drivers may be charged if they do not follow the road rules.

Some parents / caregivers are also illegally parking in the driveway near the school hall. I am asking that you do not do this as children and parents are using the footpath and may not be seen when you are leaving the school property. This is a safety concern that has been noted by myself and a large number of parents and caregivers who pick their children up from school. I will be asking any person who parks in this spot not to do so. This spot is on school grounds and is protected by the Inclosed Lands Act.

I will be at a conference for the remainder of the week. Miss McGowan and Mrs Gibson Dean will be acting as Principal in my absence.

Have a wonderful week!!!!

**Father’s Day Stall**

The P&C will be holding a Father's Day stall on Tuesday 1st September 2015, for all students to purchase that special gift that is always the biggest surprise for our wonderful Dads to enjoy on Father's Day.

Gifts will be available for $2, $5 and $10.

The Father’s Day stall will be held after recess and we hope that if enough gifts are left over, we will sell them the following day after recess for anyone who may have missed out or is absent.
